

RiverPlace, Portland, ME

Luxury Apartments

This 136-unit rental project is located on the shores of Maine's picturesque Portland Harbor. The area's first luxury rental community is marketed towards young professionals as well as empty nesters that want easy access to town without the burdens of home ownership. Each unit has one or two bedrooms, luxury baths and a private patio with spectacular views of the water or city.

There is convenient parking located in the basement level of the building as well as on-site visitor parking. Elevator access is provided for the convenience of all residents. A fully equipped clubhouse is located on site with a fitness center, outdoor pool and tennis courts. These on-site amenities create a truly carefree luxury lifestyle.
